That's weird. I wonder how they got approved last quarter.
- S13-7 6/29/05 Air T = 16 Deg. C.
- WQ1-39 6/22/05 Air T = 14 Deg. C.

I assume you have to input them since they are already in the database.

Your samples are now all in, but you seem to be missing Air Temperature for the 6/29 sample at S13-7, and the 6/22 sample at WQ1-39.
